DETAILED ACTION

1. The Office would like to thank the Applicant's amendments to the Specification and Drawings as recommended.

Terminal Disclaimer

2. The terminal disclaimer filed on March 10, 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

3. Claims 1 – 14 are allowed over the prior art.

The following is an examiner's statement of reasons for allowance:

The prior art of the record fails to disclose the limitations of a *route configured for sending and receiving data packets on an InfiniBand™ network, the router being configured to receive an Internet Protocol (IP) data packet having a transport header having an IP header including a type of service (TOS) field having a differentiated services code point value indicative of layer 3 priority data of the IP packet, the router comprising; a mapping table having multiple entries, each entry specifying an application identifier and a corresponding service level, and a controller configured for parsing the TOS field and determining the service level for the differentiated services code point value, the controller outputting the network layer packet on the InfiniBand™*
